Good morning, Mr. Baez,

There has been an uptick in fraudulent unemployment claims being filed. We received notice from the state's third-party administrator, Employer's Edge, that you may have filed an unemployment claim. If you did file this claim, please let us know.

If you have not filed this claim, please follow the links below to report this action. I have notified our Third-Party Administrator, Employer's Edge, as well as the Labor Department that you are still actively employed.
