To:

Hi Demitric,

I wanted to let you know that we've decided to move forward with another candidate for our Area Coordinator position who has more professional experience. With that said, we really enjoyed our time with you and I'm confident you have a bright future in student affairs. I encourage you to continue seeking positions because you could make a great RD, and after some time in that role continue to look at us for any future Area Coordinator opportunities.

Good luck in your search,

Troy Morehouse (he/his)
Associate Dean of Student Life
